

Student Project

Workload:

- 15 Credit Points
- ~ 450 hours

Duration:

- 3 months in full time or
- 6 months in part-time

Registration:

- You can start at any time, regardless of your amount of credits
- Registration sheet: You will find the registration sheet on the [website](#), fill in all the information so that it is valid
- Registration at the beginning of the project

- Can be written in a company
- Examiner: Professor or *Lehrbeauftragter* (adjunct/contract lecturer)

Examination:

- It's like a normal exam
- May improve the grade with a new topic
- If you fail, you have two more attempts
- Submit project to the examiner

CSE-Office:

- Do not receive a copy
- Important: If you run into any problems or have questions, reach out early!

Extensions:

- Extensions within the maximum time frame: Must be discussed with the examiner and forwarded to the CSE office
- Extensions outside the maximum time frame: Only with a formal request to the Examination Board with justifiable reason
