

2018 TransTiP Summer School

June 23 - 29, 2018
Beijing, Lhasa, CHINA

Agenda book

INTERNATIONAL RESEARCH TRAINING GROUP TRANSTIP

Program

Date	Time	Course	Lecturer
June 23	08:30 – 10:00	Opening Ceremony	Bernd Wünnemann and Roland Mäusbacher
	10:30 – 12:00	Nam Co state of research	Roland Mäusbacher
	14:00 – 15:30	Introduction to science communication I	Sören Dürr
	16:00 – 17:30		
June 24	08:30 – 10:00	Introduction to sediment fluxes	Roland Mäusbacher
	10:30 – 12:00	The role of summer monsoon impact on the Tibetan Plateau	Bernd Wünnemann
	14:00 – 15:30	Philosophy of Science: On the logic of scientific discovery	Andreas Hördt
	16:00 – 17:30	Lake-catchment interactions	Bernd Wünnemann
	17:45	<i>Meeting of the German Participants</i>	
June 25	14:00 – 18:30	Sino-German TransTiP Kick-Off Meeting	
June 26		Transportation to Lhasa	
June 27	08:30 – 10:00	Scientific writing (Humboldt special issue) I	Carina Hoorn
	10:30 – 12:00		
	14:00 – 15:30	Introduction to carbon fluxes	Georg Guggenberger
	16:00 – 17:30	Introduction to water fluxes	Thomas Graf
June 28	08:30 – 10:00	Tibetan lake isotope stratigraphy	Andrew Henderson
	10:30 – 12:00	Monitoring at Nam Co	Junbo Wang
	14:00 – 15:30	Scientific writing (Humboldt special issue) II	Carina Hoorn
	16:00 – 17:30		
June 29	08:30 – 10:00	Introduction to science communication II	Sören Dürr
	10:30 – 12:00		
	14:00 – 15:30	Hydrological modeling	Fan Zhang
	16:00 – 17:30	Closing Ceremony	Antje Schwalb, Fan Zhang and Guangjian Wu

Time:	08:30 – 10:00	Lecture
	10:00 – 10:30	Coffee break
	10:30 – 12:00	Lecture
	12:00 – 14:00	Lunch
	14:00 – 15:30	Lecture
	15:30 – 16:00	Coffee break
	16:00 – 17:30	Lecture

Official Language

The official training language is English. It will be used during the whole course including all printed materials, lectures, discussions and communication.
